RED CROSS HAD EXCELLENT DISPLAY

Guests who attended the Red Cross display and silver tea on Wednesday, June 17, were greatly impressed with the excellent work accomplished by the workers in North Saanich.

The Red Cross workrooms, Third Street, Sidney, were open to the public and the many articles of knitting, quilting and sewing were viewed.

Many knitted articles for the men in the services were shown and excellent workmanship was seen in the scarves, helmets, mitts, socks and sweaters in navy, air-force blue and khaki. A special feature of the knitting section was the babies' wear, which also included articles of sewing and complete layettes.

Garments for ladies and children were arranged and every description of clothing has been made by the willing and energetic workers. From new and old material and clothes, beautiful dresses, suits, slips, blouses, pyjamas, shirts and many other varieties of clothing have been turned out.

Quilts and afghans have also been made and many lovely patterns were displayed. Not a piece of material, however small or large, has been wasted and every imaginable remnant has been used and resulted in many useful and attractive garments.

A large selection of hospital gowns, etc., were also displayed.

A silver tea was convened during the afternoon and in this way an opportunity was afforded many to assist in this most worthy cause.

To the workers of the several units of the Red Cross in North Saanich unlimited credit is due.

LOCAL ROSES WIN TROPHIES

George Nunn, East Saanich Road, is the proud winner and holder of the Oak Bay Municipal Challenge Trophy for the champion rose and the Oak Bay Rose Society's Challenge Trophy for the best 12 roses in the annual June show of the Victoria Horticultural Society held last week in Victoria.

Mr. Nunn exhibited an orange Ruth Alexander to win the champion rose trophy.

Mr. Nunn, who has come to reside in North Saanich within recent months, is an ardent lover of roses and has during the past years won many cups and trophies for his exhibits. It is evident, by his achievement, last week, that Mr. Nunn is planning to maintain his high record of success.

The regular meeting was held on Saturday evening and the troop went for a trip with the Sea Scout boats.

Next week all Scouts are warned to get to the meeting by 7 sharp.

The last meeting of the pack was held on Friday evening with Jack Murdoch taking the grand hovel. Games and competitions were held.

Smaller Quarters, But Service As Usual

Willis Pianos, established in Canada since 1871, and who have for the past quarter century maintained a branch in Victoria, will be moving shortly to smaller quarters.

The move is due to reduced output, occasioned by the factory now producing war materials.

The manager, Sidney G. Cave, who is well known to music lovers of the Saanich Peninsula and Gulf Islands, states that they will continue serving the public with the same close attention to efficiency and service, which they have always endeavored to maintain, although the variety of selection, during the war period, may be somewhat curtailed.

Sidney Scouts Active During The War

Since the beginning of the war in 1939 the Sidney Troop has been placed on a war basis. All are members of the A.R.P. as messengers, telephone operators, first aiders and ambulance men.

They have taken part in bottle collecting for the Army Medical Corps, aluminum drive, Red Cross fetes and parties, and folder distribution.

The older boys of the troop have been classified and are registered as blood donors. They have a regular weekly collection of salvage and have collected and turned over to the Salvage Corps of B.C. about 25 truck loads of material. The older boys have helped train various members of the A.R.P. for first aid. They have dug trenches and made shelters for the small children.

The troop is always on call and can turn out ready for any emergency in half an hour's notice. They have four boys with their B.P. Badge, 16 with 100-Hour War Service Badge and four with over 200 hours.

The troop on the whole are keenly alive to the part that they can play in this war effort and are always ready to take their place wherever needed.

Garden Fete To Aid Red Cross Unit

The beautiful gardens at the home of Mrs. J. McNeil, Beach Road, overlooking the placid waters of Roberts' Bay, will be the scene of a garden party in aid of St. Paul's Red Cross Unit.

From 3 to 5 o'clock Saturday afternoon, July 4, the gardens will be open and the many attractions of a garden fete will be enjoyed.

Afternoon tea will be served and home cooking and miscellaneous stalls will be open for business.

Proceeds from this effort will augment the funds of the unit and will enable members to continue the excellent work they are accomplishing.

Further details may be learned by turning to Coming Events.

King And Queen Meet Local Flyers

WITH THE R.C.A.F. SOMEWHERE IN ENGLAND, JUNE 13.—The King and Queen today met Canadian flyers who took part in the mass aerial attack on Cologne and some of the Canadians said afterwards their experience in shaking hands and chatting with Their Majesties was tougher than any raid.

Their Majesties spent an hour with a squadron commanded by John J. Fulton, D.F.C., A.F.C., a wing commander from Kamloops, B.C. They inspected the air crew, lined up in a big hangar in front of Fulton's Wellington which was damaged in a recent raid on Germany.

Fulton introduced his flight commander, Sqdn. Ldr. P. W. S. (Roscoe) Turner, 28, of Ganges, B.C., and D. L. Wolfe, 27, of Regina. They escorted their Majesties on a tour of the post during which the royal couple shook hands and talked with more than 60 Canadians, including a number of French Canadians.

Turner, who was on the first raid of the war, that of the German naval air base on the island of Sylt in the North Sea, had returned from an operational flight just before the inspection began.

The Queen chatted at length with Pte. Lieut. Bob O'Callaghan of Salt Spring Island, B.C., and Calgary. This pilot of 23 stood rigidly at attention while he told Her Majesty he had been in England two and one-half years.

When she asked if he had been here that long without leave in Canada he replied: "Yes, Your Majesty, without leave."

If you own a home or building in North Saanich you will appreciate having an efficient fire brigade. Have you sent in your contribution to help — or did you overlook it?

GULF ISLANDS RANGERS

GALIANO ISLAND, June 24.—Colonel Carvossa, M.C., commandant of the Gulf Islands Rangers, spent Sunday on Galiano Island studying the layout of the island.

His visit included a trip to the North End where he met the group leaders from Kuper, Reid, and Valdes Islands.

In the evening he was present in Galiano Hall and gave an informative talk to the rangers on the nature and scope of their duties, and discussed the local problems with them. Everybody feels that his visit has been of great value.

At the meeting Commander T. Anderson, R.N., spoke at some length on the strategy and nature of the tactics employed by the Japanese. He stressed the initiative and determined nature of the enemy and pointed out the necessity of all ranks to prepare themselves for any form of attack by night or day and under any conditions.

To study with an open mind how to attack if our turn comes.

The rangers felt that gratitude was due to Com. Anderson for having studied the problem so fully and for the clarity of his address.

GULF ISLANDS RANGERS

MAYNE ISLAND, June 24.—In the presence of Colonel Carvossa, M.C., commandant of the Gulf Islands Rangers, a very able and informative talk was given by Commander Anderson, R.N., in the Community Hall on Saturday, June 20, on the subject of the Japanese strategy, tactics and the nature and object of their plans for the subjugation of the Southeast Pacific and the Western Powers.

The well authenticated instances of Japanese terrorism by murder and torture told by Commander Anderson inspired every ranger with the intention to do what he can now to prepare for any eventuality and to do his duty firmly should the time come.

Colonel Carvossa congratulated Mayne Island on its enlistment, which bears a very high proportion to its population. He also approved the appointment of group leaders.

Good health is an important thing these days. So many jobs to be done — there's no time for anyone below par! And one sure way to maintain your good health is to eat plenty of good food — fresh and wholesome with all the natural vitamins and minerals. This is where modern electric refrigeration steps in. It guarantees the safe preservation of food values. And you can count on modern electric refrigeration, too, for real SAVINGS in food and money. Consider all these things and you will understand why refrigeration service is essential in every home — especially in these difficult war days.

WARNING!

If it is not already on its way to Rationing Headquarters you should

MAIL YOUR APPLICATION CARD FOR COUPON RATIONING AT ONCE!

After July 1st no one will be able to purchase sugar for regular domestic use without turning in a ration coupon.

Application cards for coupon rationing for sugar have now been mailed to every household in Canada. But, in an undertaking so vast, some homes may have been missed, or some cards may have gone astray. So, no matter where you live, whether it is in areas served by letter carrier or not, if your application card is not already on its way to Rationing Headquarters, you should wait no longer.

After filling in the card, according to the instructions on the pamphlet which was delivered with it, just drop the card in the nearest mail box or post office. It needs no forwarding address.

IF YOU HAVE NOT RECEIVED AN APPLICATION CARD you should get one at the nearest Post Office at once.

The ration cards being issued for use July 1st are for sugar only, and good for 10 weeks. At the end of that period a coupon ration book good for 6 months will be issued. Under the new system of coupon rationing, you are allowed the same

amount of sugar as at present — 1½ lb. per person per week. The same provision as at present for additional quantities for preserving and jam and jelly making will be continued. Special voucher forms for this purpose are being supplied all retailers.

Borrowing TO SAVE MONEY

In our country's present war economy, *saving* is the favourite financial watchword.

Save to be able to pay taxes when due, save to buy Victory Bonds, save to buy things for cash, save to be ready for unforeseen expenses—and yet there may be times when *borrowing* is necessary.

You may be in circumstances where borrowing at the Bank will actually save you money by preventing losses. Or you may be in a position where borrowing is necessary, regardless of your desire to save.

If you need to borrow, bring your problem to our nearest branch manager, who will regard your business as strictly private and confidential.

IMPORTANT

CASCARA BARK is a vitally needed drug for use in military and civilian hospitals of the United Nations. Cascara trees grow wild throughout western British Columbia but especially in the lower Fraser country and on Vancouver Island. The bark can be peeled all summer while the sap is flowing.

Price is currently so high that professional peelers can earn up to \$40.00 per day. School children, women, loggers after working hours, farmers, in fact anyone, can devote part or all their time to peeling cascara with profit.

Full information regarding peeling rules can be obtained from Buying Agency listed below, or by writing your nearest Forest Officer or the British Columbia Forest Service at Victoria.

Y.P.S. Hear Address About Uganda

A very interesting missionary
evening was held at St. Paul's
Young People's Society on Satur-
day evening. An address was
given by Miss D. B. Reeves on
travels and work in Uganda and
illustrations were shown of the
scenes on the voyage from Eng-
land via the Mediterranean Sea

interior of East Africa. Keen
appreciation was shown by the
young people of the explanations
regarding the customs and ap-
pearance of the natives of that
remote region.

Dave Reimer presided and the
devotional period was conducted
by Jim Gardner.
